
Cop and Deceased were Bouncers at the Same Night Club

Description

via Jimstone.is – World Class Investigative Truth

THE CORONA STORY FAILED. BACK UP PLAN: RACE WAR. Cause riots so bad people beg to be saved. But this one will likely fall apart faster than corona, because KSTP (Minneapolis channel 5) has revealed the two were bouncers at the same club. IT WAS ALL AN ACT.

"Hey George, do you want to do a high paying gig?" "Sure Derek, I'm a little low on cash since Corona closed the club, I'm, game!"

There is a LOT wrong with the "murder video" that proves these guys really did act this out

and there was no killing

1. You can tell when the ambulance arrives and the officer gets off the victim there was no pressure being applied.
2. When the ambulance arrives, rather than tend the victim, (the official reports state the ambulance was warned he needed medical attention and was unresponsive,) they did not tend to him immediately on the ground, instead they loaded him onto the gurney without checking a damn thing, pushed him into the ambulance and drove off. **There's a HUGE problem with that.**
3. Since no one checked the guy's pulse, how did the cops know he was not going to wake up in the ambulance and raise hell? I can't begin to describe what a screw up that was, and to top it all off, in ALL CASES, conscious or not, the cops pick people up and throw them in the back seat. They would not have called an ambulance at all, having never checked his pulse. He'd have been loaded like a side of beef and taken to the station.
4. The appalling "I am so proud" show by the "officer" at the end was obviously done for the sole purpose of angering the public.

So here we have a story where the neighbors never knew he was a cop, where the victim was never checked at all, just loaded onto a stretcher, when he could have woken up and caused a problem. The police will NEVER DO THAT, THEY WILL NEVER DO THAT EVER, FAKE COPS, FAKE EMT'S FAKE STORY.

5. AND THE PUNCH LINE: THEY WERE BOUNCERS AT THE SAME CLUB AND CLEARLY KNEW EACH OTHER. **"HEY GEORGE: DO YOU WANT TO DO A HIGH PAYING GIG?" "SURE DEREK, I'M A LITTLE LOW ON CASH SINCE CORONA CLOSED THE CLUB, I'M GAME!**

This story is another box of fruit loops, and now some in Minnesota's government are calling to declare "racism" a public health emergency like COVID. TOO OBVIOUS.

WHERE WERE ALL THE OTHER COP CARS? IN REAL SCENARIOS THEY MOB A SCENE LIKE THIS, FAKE FAKE FAKE FAKE FAKE!

THE CORONA STORY FAILED. Now they are trying to accomplish the same kind of lock downs they wanted by launching a race war.
