Halt Vaccine Passports!

Description

Dr Mike Yeadon

It is very important that people understand what is happening here. The intention is to introduce vaccine passports everywhere. But this is a disguise. It's a world's first digital common-format, globally-interoperable ID system with an editable health flag (vaccinated Y or N).

It makes no one safer. If you're vaccinated, you're protected & are not made safer by knowing others immune status.

As in Israel, you will be compelled to present a valid VaxPass in order to access defined facilities or access services. No VaxPass, you're denied.

This system only needs 50%+ of the adult population to start up because of its huge, coercive power on the unvaccinated.

It's illegal, medical apartheid.

If they succeed, it won't help you to refuse. They'll move on, leaving that minority behind.

A VaxPass System like this will give to those controlling the database & it's algorithms TOTALITARIAN TYRANNY over us all.

The ONLY way to stop this biosecurity nightmare is to NOT GET VACCINATED FOR NON-MEDICAL REASONS!!!

I fear that, if our adversaries gain this absolute control, they will use it to harm the population. There's no limit to the evil which will flow from this strategic goal.

DO NOT ALLOW THIS SYSTEM TO START UP, because it's unstoppable afterwards.

One example: your VaxPass pings, instructing you to attend for your 3rd or 4th or 5th booster or variant vaccine. If you don't, your VaxPass will expire & you'll become an out-person, unable to access your own life.

How much choice do you have?

It's none. You are controlled. Forever.

PLEASE share this widely, on every platform you use.

Thank you,
Dr Mike Yeadon
