

## Worldwide Vaccine Failure

### Description

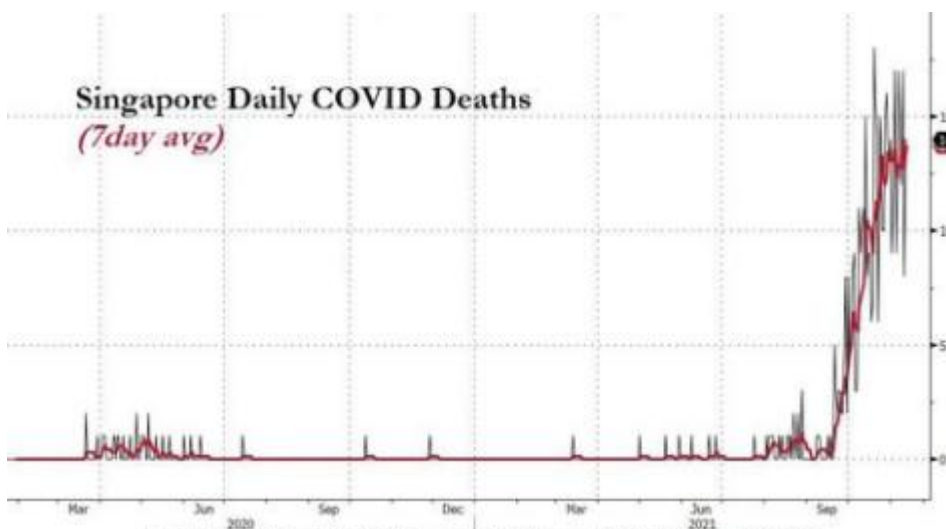

*[Authored by Alex Berenson via 'Unreported Truths' Substack,](#)*

***From Singapore to the Netherlands to Iceland to Vermont. And coming soon to the entire northern half of the United States...***

**This is not how it was supposed to go.**

Deaths hitting new highs in Singapore (**85% of the population fully vaccinated** – NOT adults, the entire population):

*Source: Bloomberg*

A new lockdown in the Netherlands (**70% fully vaccinated**)

And in Iceland (**76% fully vaccinated**):

# COVID-19 in Iceland: Restrictions Tightened Again Following Sharp Increase in Infections

Gréta Sigríður Einarsdóttir November 12, 2021 Society, x News

As Vermont – the most vaccinated American state (**71% fully vaccinated**) smashes highs for cases:

Virus gonna virus.

And it looks more and more like the harder we try to keep it from virusing, the worse the rebound.
