

WHO Labels Unvaccinated a “Major Killing Force”

Description

Last Wednesday, the [World Health Organisation \(“WHO”\) labelled](#) unvaccinated people a “major killing force globally.” WHO is promoting a new video that targets “anti-vaccine activism” by blasting those who choose not to be vaccinated for supporting “anti-science aggression.”

The WHO has made this wholesale condemnation of “anti-vaccine activists” despite the [emerging risks](#) of the [experimental mRNA shots](#). However, the WHO’s showcased physician, paediatrician and vaccine advocate Peter Hotez, did not acknowledge these facts in his rant.

What Did They Know and When Did They Know It?

The day before WHO tweeted out its video, Florida Governor Ron DeSantis held an accountability roundtable. He announced his plans to petition the state’s Supreme Court to convene a grand jury to investigate “any and all wrongdoing” with respect to the Covid “vaccines.” The goal, said DeSantis, would be to gather more information from pharmaceutical companies about the vaccines and their potential side effects.

Covid Accountability Moves Closer

A coroner in the UK has ruled that the death of a fit and healthy 27-year-old was caused by a blood clot as a direct result of the AstraZeneca jab.

In the US the GOP members of the House Permanent Select Committee on Intelligence have released a report that indicates that SARS-CoV-2 may have been a Chinese bioweapon.

A Conservative Member of Parliament in the UK denounced the approval of these injections for infants as, “not safe, not effective, and not necessary.”

Unfortunately for those still pushing the psyop, people worldwide are waking up and realising that the “cure” has been more deadly than the disease.

The Twitter Files

“Shadowbanning,” “visibility filtering,” “de-amplification” – the Twitter Files released since Elon Musk took over have given us a new and sinister language of digital censorship. For example, users were systematically de-amplified, shadowbanned and banned essentially because they are fierce opponents

of doctrines like “white privilege” and “critical race theory,” and were opposed to Covid lockdowns and vaccine mandates.

The [first details of the Twitter Files](#) were released on 2 December. Twitter’s former leadership curtailed public debate; drew arbitrary lines about what’s fake and what’s real. Musk says he won’t do that.
