

Paris is Burning, while Ukraine is Up in Flames

Description

France is BURNING and French Prez Monsieur Macron is chilling in his palace, using Presidential powers to bend people to his will and force them to work MORE! While Macron seems more worried about what's happening in Ukraine, his citizens' cries and protests go UNHEARD.

APOCALYPTIC scenes from Novomoskovsk, Dnepropetrovsk region, East Ukraine as Kiev's military comes under Russian attacks, oil depot reportedly targeted.

Massive explosions everywhere while Ukrainian Presidential office Chief Yermak claims Kiev's air defense is shooting down Russian drones.
