

## Claire Daly, MEP, Zionism as is Practiced – “A European Settler Colonial Project”

### Description

“A EUROPEAN SETTLER COLONIAL PROJECT”, EU Parliamentarian Clare Daly put Israel on blast for committing war crimes and killing children during its latest aggression on Gaza and Jenin, slamming EU politicians for siding with the occupiers against the colonized.

Israel's airstrikes on Gaza in May – 33 dead, 147 wounded – was not “self defence.” The slaughter of children from the air in Jenin was not “self defence.” All war crimes. All without comment in EU politics, while [@vonderleyen](#) toasted the [#Nakba](#) as the realisation of "a dream". [pic.twitter.com/73i9ILgQ4o](https://pic.twitter.com/73i9ILgQ4o)
