

## The Occupying Israelis in Gaza

### Description

**Confirmed: 85%-90% of the men stripped to their underwear, blindfolded and paraded around in the world's media as "Hamas terrorists" by Israel were in fact civilians.**

**That's according to "Israeli security officials" as quoted in Haaretz.**

IDF captures Palestinian men en masse in Gaza, indiscriminately.

All men are stripped down to their underwear, searched, blindfolded, and then loaded onto transport to be sent to filtration camps, where prisoners are checked for connections with Hamas.
