

Medvedev: Ukraine Split Btw Russia, Poland, Romania

Description

EPIC: Medvedev just unveiled a new map of Ukraine split between Poland, Russia, Romania and Hungary, declaring:

“Ukraine is undoubtedly part of Russia!”

“The territories on both banks of the Dnieper River are an inalienable part of Russian strategic historic borders,” he said, using his preferred term for what is usually known as ‘sphere of influence’ in geopolitics. *“All attempts to change them by force, to cut its living body, are doomed.”*
